PETITION UNDER 35 U.S.C. 1.53(e)(2) IN RESPONSE TO NOTICE OF OMITTED ITEMS

Sir:

Applicants hereby petition that page 31, copy enclosed, of the above-identified application be considered part of the application as filed on January 22, 2001. Applicants have received a stamped, dated and signed return postcard from the PTO indicating that all 38 pages of the specification had been received as part of the application as filed. In support of this assertion, enclosed herewith is a copy of the postcard marked by the PTO indicating a total of 38 pages submitted and received as a specification. This is consistent with a page count conducted prior to filing the application by counsel for applicants to verify all 38 pages of the specification were included with the application.

In addition to the aforementioned documents, enclosed herewith is the petition fee of \$130.00 according to 37 CFR 1.17(i). As applicants contend that the above noted item was in fact received by the PTO with the non-provisional application papers, a prompt refund of the fee is respectfully requested.

Dated: May 2, 2001
